Also present were: City Manager Steven C. Jones and Clerk Glennis A. Lauritsen.

Prior to this meeting, department heads had been asked to list their 2009 goals, based on the following:

1. List three things that need the most care and attention over the next 1-5 years *in your department*.
2. Setting aside present budget problems, what one thing would you like to see done over the next five years that is not presently being planned?
3. As a department head, what three things (*city wide*) need the most attention over the next five years?

A summary of those comments had been prepared for council review and use in its discussion.

The council had also separately addressed the three items and interjected their thoughts and ideas.

At 6:27 P.M., the goal setting session was recessed in order to convene as the Board of Equalization at 6:30 P.M. in the council chambers.

The goal setting session reconvened at 7:22 P.M.

Continued discussion took place on the various ideas, financing restrictions, personnel needs and other miscellaneous topics.

Council member Johnsrud left the meeting at 7:41 P.M.
