 State Surcharge: \$ _____
TOTAL: \$ _____

- ▶ Whenever it shall become necessary to cut or remove any wires for the convenience of the house mover in pursuance of his business, all expenses connected therewith shall be paid by such house mover. Before any such wires are cut or removed, all owners of overhead wires and other structures that may be affected by the moving of any building shall be notified by the house mover. Such notice shall be given in ample time for the owners to make necessary arrangements, removals and repairs.
- ▶ When the moving of any building over any public thoroughfare within the city shall interfere with trees or shrubs growing upon any boulevard adjacent to such public thoroughfare, notice of such intended moving shall be given by the house mover to the public works director of the City of Montevideo in ample time to permit any necessary trimming of trees and shrubs upon such boulevards, and to take such other precautions as may be advisable to prevent damage thereto. Licensed mover is responsible for making all necessary contact and arrangements with utilities, public works and police departments prior to moving any structure.
- ▶ The house movers shall be responsible for all damages, claims, repairs and other costs associated with the pursuit of this work, including those caused by negligence or otherwise, and shall save the city from all claims, damages and costs of whatsoever nature and description.
