

DECORATIONS AT SUNSET MEMORIAL CEMETERY:

Summer months are April 1 to October 1. One of the following is allowed for each plot:

One ground placement floral container **or** one plant stand. Neither can exceed 18 inches by 18 inches at the base or four (4) feet in height. They must be made of durable material, able to withstand cemetery maintenance. Containers may be used for real, potted, artificial or cut flowers. (**) Only the approved containers are allowed; No hanging plants or decorations of any kind are allowed during these summer months.

Month of October: Maintenance is conducted; no decorations of any kind are allowed (until November 1st.)

Winter months are November 1 to April 1. Any and all decorations are allowed during these months. **By April 1st, summer months rules apply and all other decorations shall be removed.**

No in-ground planting.

No glass containers.

No other decorations or memorials are allowed during the summer months except for Memorial Day Weekend and up to ten days after Memorial Day Weekend, and up to ten days after a burial.

By October 1st of each year, all summer floral decorations, including real and artificial flowers, shall be removed. The containers or stands may remain on site.

Veterans markers approved by the city are allowed year round.

Decoration Responsibility:

§ The city is not responsible for damage done to or theft of any container, flower, or memorial.

§ The city reserves the right to remove all non-compliant and outdated decorations without further notice. The city further reserves the right, without prior notice, to remove all decorations or memorials it deems unsightly or detrimental to cemetery operations. All permanent decorations or memorials removed by the city in this manner will be stored, if possible, for 30 days, and if not claimed within that time frame, will be destroyed. In addition, the city reserves the right to remove any and all decoration or memorials left unattended for over 30 days.

(**) *Please contact the City's Cemetery Sexton at (320) 841-1233 if you have specific questions regarding container material, or other questions regarding these regulations.*
